MOBILITY 2

GETTING TO BREDA

- There is a good **train connection** from the Airport to Breda. This is the best and cheapest way of travelling, taxis much more expensive. You can buy your train tickets online, at the ticket machines or at a ticket booth at the airport. If you wish to travel by taxi there are plenty of them outside the arrivals hall.
For more information about travelling by train, visit:
<http://www.ns.nl/en/travellers/home>
(From, choose 'station' and type Schiphol. To, choose 'station' and type Breda. Select the travel option that doesn't include Fyra: this is a special train for which you need to buy extra tickets. Normal train might take longer but the connection is just as good and cheaper!)
- For information about **Breda**, visit:
<http://english.breda.nl/>
<http://en.wikipedia.org/wiki/Breda>
Here you can find a street map and all kinds of information about the city.
- For information about the province **Noord-Brabant**, visit:
<http://www.brabant.nl/subsites/english.aspx>

ACCOMODATION

Gouddonk 27

4824 DH Breda

Tel. 076-54321817

e-mail: duive92@kpnmail.nl

RADIUS COLLEGE

- **Radius College** where you will take part in the second **EURIAC** mobility is a large Vocational Education Centre (about 3300 students) located in Breda. It specialises in 3 main Vocational Areas, such as: Technics, Technology and Information Technology. There are about 160 different studies to follow. For more information visit: <http://www.radiuscollege.nl/home.aspx>
- For Radius students the day begins at 08.00 and lasts until 17.00. Classes are 60 minutes long and the school is open 5 days a week (Monday till Friday). The days are different every day. It also depends on you study how many days a week you go to school. Most of our students have a work placement or job, which means that they have to go to school for 2 or 3 days a week and spend the rest of their days in learning in a company. The breaks aren't usually on set times, we have 3 breaks during the day. The 'coffee breaks' as we call them are 20 minutes and are around 10.00 and 15.00. Lunch break is 40 minutes and usually between 12.00 and 13.00.
- There is WIFI connection throughout the school. You may find it useful to have your laptop for personal Internet searches etc. but in theory any work you have to do for projects will be done on school equipment.
- Your contact teacher in Radius College is Mr Ad Stam A.Stam@rocwb.nl. If you have difficulties during your stay or need to contact the school, please call or e-mail Ms Debbie van Iersel on +31 76573 3823 or the general number +31 76573 3444, e-mail address d.vaniersel@rocwb.nl.

EURIAC: The Programme

- **TRANSPORT:** The first morning you will be picked up at your host family around 08.30 by Mr Ad Stam (Spanish students) and Ms Debbie van Iersel (Finnish and Swedish students), and taken to the school. The first day we will also bring you back to your host family. For the other days arrangements have been made. The Finnish and Swedish students will cycle to school and the Spanish students will be picked up by Mr Ad Stam since it's too far away to cycle.
- **CLASS:** You will be in the **EURIAC** class from 09.00 – 16.00. For details of the learning objectives of Mobility 2, see the document we send with this leaflet called **Units of LO-Netherlands**.
- **LUNCHEs:** There is a canteen in the school where students have their lunch. Most students bring their own sandwiches, but sometimes they buy food at the canteen.

You don't have to worry about bringing your own lunch, this will be provided for you each day during the lunch break.

- **AFTERNOONS:** You will be free in the afternoons after 16.00. There will be a few excursions, which means that those days might start earlier and end later. You will receive information about those excursions at school.
- **DINNER:** Dinner is included in your stay at the host families. This means that you will not have to go out for dinner during the week. You will be provided with hot meals and experience the Dutch eating habits. Dinners are usually served around 18.00 but times may vary, this depends on your host family. If you wish to go out for dinner, please make sure that you tell your hosts on time, as they will adjust the amount of dinner on you!

If you have any other questions, please don't hesitate to get back to us via email! We look forward to seeing you in person on the 19th!
